Restaurant

Feel the heart beat of a Bavarian beer hall...

The restaurant 'Zum Erdinger Weißbräu' is divided into several rooms, the main one being the Schwemme (traditional public bar) with its huge solid round wooden tables and historical atmosphere.

The heavy wooden ceiling panels and the leaded windows give the Gaststube (bar parlour) a cosy Bavarian air.

In addition the Braumeister-Stüberl (master brewer's parlour) greets you with its quaint wooden furnishings and the Spitzweg-Stüberl (Spitzweg parlour) has its charming tiled wood-burning stove.

Hotel

Your stay under a 4 star roof and a little extra...

In the centre of the former ducal town of Erding stands the 4 star hotel 'Zum Erdinger Weißbräu' whose history and brewing tradition reach back to 1537.

The 33 attractive and elegant rooms awaiting you offer a fascinating yet comfortable atmosphere turning your sojourn here in Erding into an unforgettable experience. Each room is an individual gem in which every conceivable comfort has been combined with traditional interior design. So you should expect a little bit more comfort than usual: sat-TV with free premier channel, radio, broadband internet access, telephone, hair dryer, safe and mini bar as well as an elegant bathroom which leaves nothing to be desired.

Einmalig exklusiv...

The 6 exclusive and elegantly furnished junior suites offer 40 to 49 square metres of privacy in dazzling style.

Three of these junior suites have been decorated and furnished according to different themes. The Romantic Suite is undoubtedly one of the hotel's showpieces whose noble and Barock furnishings transport you back to the times of Sissi or King Ludwig II*. Enjoy the Brewer's Suite with its special highlights of wooden barrels as bedside tables and the beautiful wood panelled ceiling. Or the Champions' Suite with photos of successful athletes which Weißbräu has sponsored over the years.

Events & Conferences

Conferences – we outperform your expectations

An event in the heart of the town of Erding with its excellent road and air connections, high-tech equipment with W-LAN and a multi-media unit, unique ambiance: the hotel Zum Erdinger Weißbräu fulfils all requirements demanded of a location which one would expect of a particularly unusual location.

For very special events you can choose between the Festsaal im Alten Sudhaus (Ceremonial Hall in the Old Mashhouse) or the historical Weißbräu cellar, amongst others.
